

AMENDMENT NO. 21

TO THE PETERSEN RANCH MITIGATION BANK ENABLING
INSTRUMENT

Commented [GJ1]: Ask Shannon I think this is Amendment #1

Commented [TTACUC(2R1)]: Corrected throughout

THIS AMENDMENT NO. 12 to the Petersen Ranch Mitigation Bank Enabling Instrument ("BEI Amendment No. 12") is made by and among Land Veritas Corp., a California corporation ("Bank Sponsor"), LV-BP Investors Ranch, LLC, a Delaware limited liability company ("Petersen Ranch Property Owner"), LV Lake Elizabeth, LLC, a California limited liability company ("Elizabeth Lake Property Owner"), and the Los Angeles District of the U.S. Army Corps of Engineers ("USACE"), Region IX of the U.S. Environmental Protection Agency ("USEPA"), California Regional Water Quality Control Board, Region 6 ("Lahontan Regional Water Board" or "RWQCB" or "Regional Water Board" or "Lahontan RWQCB"), and the California Department of Fish and Wildlife ("CDFW"), South Coast Region. These agencies comprise and are referred to jointly as the Interagency Review Team ("IRT"). The Bank Sponsor, Petersen Ranch Property Owner, Elizabeth Lake Property Owner, and the IRT are hereinafter referred to jointly as the "Parties."

Commented [DN3]: Revised to reflect how the term is used throughout.

Commented [TTACUC(4)]: Added "v" as that is used in the BEI opening paragraph

Commented [DN5]: This is the term in the BEI.

Commented [TTACUC(6R5)]: Because the BEI uses both, suggest citing both.

RECITALS

WHEREAS, the Parties entered into the Petersen Ranch Mitigation Bank Enabling Instrument ("BEI"), effective dated May 11, 2016. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the BEI.

WHEREAS, the Parties have entered into one amendment to the BEI since that time.

WHEREAS, on June 10, 2020, the Bank Sponsor requested Exhibit F-2, Credit Purchase Agreement and Payment Receipt Templates, of the BEI be amended to include an additional template Credit Purchase Agreement template and provide the flexibility to enter into alternative, substantially similar forms of credit purchase agreements add additional templates, as needed.

WHEREAS, Federal regulations at 33 C.F.R. 332.8(g) and 40 C.F.R. pt. 230 set forth the procedures for the USACE and USEPA to formally modify and amend the BEI. In accordance with the regulations:

Commented [GJ7]: Did we already address how to accommodate alternatives forms of these agreements? See deletion in AGREEMENT 1 (based on that R2 amendment) and language in AGREEMENT 2. "6..."

Commented [DN8R7]: I'm not sure if there's been some sort of official policy decision, but in January when Scott Wilson asked about this for Soquel, I said "substantially similar" is a term that generally means something is the same in all material respects, but we'll want to be sure we're being consistent. Scott thought this would end up being an internal regional decision ultimately made by the RM. And the PDT plans to talk about what "substantially similar" means on March 3rd.
